

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. McGee on 4/30/08

The application has been amended as follows:

Cancel Claims 17, 18 and 19.

Status of the claims:-

The rejection of the claims under Obvious Double Patenting has been withdrawn as applicants have provided a TD,

US application 12/000710 and 10/591478 are applications filed after this application and hence this is being allowed however applicant should file a TD on the other applications when they are allowed.

The rejection under 35 USC 112 has been withdrawn as applicants have amended the claims and canceled the broad claims.

The compounds and pharmaceutical compositions are found to be allowable and the restriction was withdrawn and the method of treating claims were rejoined.

However applicants have now cancelled the method of treating claims 17-19.

Claims 5-12 and 14 are found to be allowable and are being allowed.
